RE: Responses to Comments on Remediation Workplan for PSC
41 and 43. Naval Air Station Jacksonville, Florida

Dear Mr. Bauer:

I have reviewed the responses dated December 7, 1994 (received December 15, 1994) for the above referenced sites. The responses adequately meet previous Departmental concerns expressed in my memorandum dated October 11, 1994; therefore, upon receipt of the modified document, it will be processed for its Final designation. Please note that in accordance with Florida Statutes 471, the Final document shall be signed and sealed by a registered professional engineer.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.E.
Remedial Project Manager
